PETITIONER's COMMENTS

Please accept these comments as restated below from Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 261C to Dalhart, Texas, as that community's first competing commercial FM service. Dalhart is an incorporated city and the county seat of Dallam County. Dalhart has a population of 6,734 people as of January 1, 1998 according to the Texas State Data Center. Dalhart has its own mayor, Gene Rahl, its own post office, its own school system, its own fire department, its own city hall and a number of local churches. The proposed channel 261C to Dalhart will provide additional diversity and an outlet for local self-expression to Dalhart residents and therefore *is* in the public interest.
